Dear General Anderson:

Thank you for your letter of 29 October inviting me to the 7th Joint Military-Industry Symposium on Guided Missile Reliability on 8, 9 and 10 December.

Much as I would like to be present at this important meeting, I will be unable to get to Chicago at that time and therefore must regretfully decline your very kind invitation. Since I cannot attend, I would like very much to send one of my specialists if this is agreeable with you.

Your thoughtfulness in asking me to the Symposium is indeed appreciated.

Once again, many thanks and kindest regards.

Sincerely,

signed
